

Herbal Obsessions

Help clients' skin feel as light as a feather with these CBD-based products.

Refresh Cleansing Gel, Revive Facial Serum, and Renew Moisturizer by Cannatera Inc. are perfect for anyone wanting to have a complete skin care routine. Each active ingredient is chosen to leave skin beautifully hydrated with a balanced glow. With ingredients featuring cannabinoid-rich hemp extract, lavender, shea butter, and antioxidants, this collection is essential for keeping skin looking radiant and youthful during the summertime. cannatera.com

Circadia's **Calm Me Down from Head to Toe CBD Duo** is a full-body experience that contains innovative ingredients, including high-quality CBD, to reduce inflammation, decrease discomfort, hydrate, and provide full-body balance. circadia.com

Skin Firming Serum by Color Up Therapeutics combines the cell supportive properties of CBD along with sophisticated, firming, and regenerative peptides. Additionally, the powerhouse coupling of sustainably harvested vegan squalane (from sugar cane) and hyalauronic acid encourage the skin to reach maximum hydration while working to reduce the appearance of fine lines and wrinkles. colorupwholesale.com

Premium, CBD-infused **Indulge Massage Oil** by Complete Body Daily is made with all-natural essential oils and organically grown hemp extract to provide the ultimate in relaxation. completebodydaily.com

Nature Pure Clinical Skin Care's **Luminous Glow CBD Face Oil** is an invigorating, hand-crafted, exotic oil that restores skin's radiance and beauty. It is formulated for easy absorption and immediate results with a plethora of antioxidants, omegas, and over 120 milligrams of CBD. pro.naturepure.com

Defy the effects of aging with **Fortify CBD Face Oil** by Hempfield Botanicals, a vitamin C-rich, cannabidiol (CBD) oil blend. Made with borage and hemp seed oil, ylang ylang, lime, and cedarwood oil, this oil fights free radicals and rejuvenates skin. hempfieldbotanicals.com

NF Skin's **CBD SPF 30 Moisturizer** helps keep skin hydrated and safe from harmful ultraviolet rays. Each blend is formulated with CBD, plenty of natural tea and leaf extracts, and emollient vitamins that work to repair skin tissue while enhancing its tone to match this radiant season. nfskin.com

Lacuna Botanicals' **Deep Tissue Pain Relief Massage Cream** was created in 2015 as the world's first purpose-built CBD massage cream for luxury spas. Its soothing scent, remarkable results, and elegant packaging make it the massage tool of choice for top spas. lacunabotanicals.com
